## Moon

### Moon in Scorpio

Yours is a passionate life. Intense feelings and strong attachments make for hot times, and you are fiercely loyal, if not sometimes possessive. Secretive, you are not at all superficial but always get to the heart of things. This is good for business and politics. You have a sense for power, wealth, and passion.

### Moon in 1st House

You always manage to end up in the limelight, with the support of those around you. You get a lot of mileage out of your appearance and the way you carry yourself and communicate to others. You could make your living from the public.

### Sun Conjunction Moon

You have great internal strength and tend to be independent, preferring to lean on yourself more than on those outside. The ability to work with those older and younger than yourself is a real gift, and this talent makes you a natural mediator or go-between. You are self-motivating, able to take care of yourself, and autonomous to a high degree. You work well with others.

### Moon Conjunction Mercury

You always can say just what you mean. Almost always right-on when it comes to questions of feelings, you take an active interest in psychology, different cultures, and history. You can find support from all sides when it comes to any sort of mental activity -- writing, speaking, and all forms of communication.

### Moon Sesquiquadrate Jupiter

You may have trouble finding support for what you do (your path or career). The way to success for you seems to run counter to emotions and sentiment. You avoid activities having to do with your past environment. Your business is nondomestic.

### Moon Square Saturn

You have difficulty controlling your emotions, and this often results in flare-ups with others, especially family or those closest to you. This could cost you much-needed support and intimacy. Your tendency to get harsh, both with yourself and with those around you, may mean that you spend a lot of time alone. You have a tendency to spoil your own nest. Your many responsibilities and obligations may keep you away from those who would offer you much-needed support.

### Moon Conjunction Neptune

You find the past, tradition, and all that is historical very romantic, and the ideal world of yesteryear seems to beckon and call. You are most imaginative when it comes to anything

spiritual, or psychological -- pertaining to the psyche. Others find you entrancing and always able to draw them into your world of images and dreams. You can inspire them with spiritual ideals. No one has any doubt that you are a high floater -- a full-blown dreamer, complete with built-in psychic abilities and probably given to visions.

## **Sun**

### Sun in Scorpio

You know how to say "No!" and to go without, if need be. Intense and sometimes driven, you are able to cut through to the heart of things. You are seldom interested in refinement. You can be very magnetic, even wild at times, and have a sense of power and an instinct for survival. Moody.

### Sun in 1st House

You tend to be out front and personable. Your personal appearance is important to you and you put a lot of thought and effort into how you appear or come across. Others notice you, and a position of leadership (prominence) is likely.

### Sun Conjunction Mercury

You communicate with consummate skill, and it is stimulating just being with you. Your high degree of mental concentration makes you an excellent student, able to excel in speaking, writing, and all types of communication skills. Your ambitions go hand-in-hand with communication and using the mind, and the two should never be far apart.

### Sun Sesquiquadrate Jupiter

You may tend to take paths at right angles to your real ambitions and self-interest. Trouble with authorities or older people can result. Your struggle to succeed is aided when you show self-control or discipline and find that middle road.

### Sun Square Saturn

You could have trouble with authorities, due to a tendency to assert your own ambitions against the realities of the situation. You don't take to organization and you tend to let things go, ignoring responsibilities. This lack of responsibility can work against any real goals and could result in your being at odds with the law and older or respected persons, in particular men. Your lack of seriousness may undermine any valid attempts to form a base and thus get started.

### Sun Conjunction Neptune

You have high ideals and an ability to enchant others with your words and images. Your presence has a way of easing things, helping those around you let go of any differences and stand behind what unites us all. You hold your ideals up for all to follow and may be drawn to spiritual authorities, teachers, and older persons, men in particular. All that is mystical and transcendental (spiritual in the best sense of that word) is your appointed territory. You feel at home in these transcendental realms.

## **Mercury**

### Mercury in Scorpio

The original Sherlock Holmes, you are able to ferret out information and all kinds of secrets.

You are research-oriented and security minded. A shrewd and penetrating mind, you have great psychological instincts and are able to get at the causes beneath the surface of life.

#### Mercury in 1st House

You think a lot about appearances -- how things come across or might appear to others. You are very personable and aware of personalities.

## Venus

#### Venus in Sagittarius

You love all things plain and true, and possessing an innate sense of religion and what's real. Not prudish, even communal, you insist on freedom in all things. You love sports, 'great' ideas, and travel. You are anything except too domestic. An idealist of the first water, but not dreamy, you are frank and affectionate.

#### Venus in 2nd House

You have a natural love of possessions and the material world. You value art and all that is beautiful and fine. Your sense of taste and discrimination is excellent.

#### Venus Conjunction Mars

You enjoy life yourself and value gusto and enthusiasm in those around you. Feelings are something you express with ease, and you appreciate others doing the same. Emotional drama is valued rather than avoided. Your appetite for action is probably well known, and well noted. Sports, outdoor activities, and everything physical are high on your list of favorites. Sex is, no doubt, also important.

#### Venus Trine Jupiter

You have an innate love of the law and working things through, and you are not put off by problems and obstacles. On the contrary, you look forward to solving them. You have the ability to work with others, in particular regarding vocation or career guidance. You can advise and guide in matters requiring work-related decisions. Others find you a generous and loving person. You always share what you find and have a lucky streak too.

#### Venus Sextile Saturn

An innate love of truth, essentialness, even adversity. A fierce sense of loyalty for loved ones. Protective and security-minded. You have a love affair with the practical and useful; you love to work and work with love. Form follows function.

#### Venus Square Uranus

Your conservative values clash with whatever is unconventional and different. You don't value novelty and do your best to ignore changes. You appreciate tradition and regularity, and your value system is dead set against anything new or out of the ordinary. Despite your feigned ignorance to the contrary, you suffer regular infusions of change, which you find very disturbing. New things threaten to overpower you.

#### Venus Semi-Sextile Neptune

A mother to every animal, child, or needy person. Generous to the extreme with others. Always sensing the unity in life, as in the phrase "the dewdrop slips into the shining sea." You

love movies, myths, and long thoughts. No doubt a dreamer... a lover.

#### Venus Square Pluto

You are unruffled and like things calm and impersonal. Polite, but not too close, and never personal. You don't appreciate displays of emotion, and any attempts at analysis meet with the cold cut-off. It is as if all vulnerable issues do not, and never did, exist. Your surveillance sees to that. However, the stuff of gossip fascinates and calls to you from across the void. You hate it, but you love it. There is a lot of unrest built around this issue.

## **Mars**

#### Mars in Sagittarius

With direct drive, you always head straight to the heart of the matter. You are candid, even blunt or brusque in manner. No bells or whistles needed, for you like simple living and could be an outdoors person. You have an urge to be free, to be challenged and tested, and would rather travel far than be stuck in routine.

#### Mars in 2nd House

You are motivated when it comes to possessions and material things. An urge to respond, own, and build upon whatever comes your way makes you a natural when it comes to productivity and the business world.

#### Mars Trine Jupiter

You are a great doer, an accomplisher. Your outgoing nature, coupled with extremely skillful ways of handling other people, make you a natural for working with or for the public. You would make an excellent teacher or coach, and helping others to make career decisions is a skill you possess. Your career is never a problem, for you have the kind of drive that others can only dream about. Everything works out well for you.

#### Mars Sextile Saturn

Applied force. Practical competence. Tremendous discipline and a love of routine work. Ability to simplify, code, and reduce a subject to its essential elements. Inner drive to be thorough and responsible in minute details. Self-disciplined.

#### Mars Square Uranus

Your insistence on the traditional clashes with everything in the world that is innovative and changing. You come up against this again and again. Your drive and emotions take conservative, well-traveled paths, carefully avoiding the new and different. You may have trouble feeling spontaneous and become overly dependent on others. All of this erupts in sudden fits of temper from time to time.

#### Mars Semi-Sextile Neptune

Driven towards the communal, to what unifies us all. Always seeing what we hold in common, rather than our differences. Idealism of a high order. Religious themes. Romantic. At home in psychic or psychological realms. The common denominator.

#### Mars Square Pluto

There could be a lot of emotional tension with this combination. You tend to set yourself

against whatever forces of change manage to rear their heads around you. This is never more true than where your feelings are concerned. Your attempt to remain untouched and impersonal seems doomed to failure. Everything intrudes, gets too personal, and threatens to hurt your feelings. Your insistence on being an emotional island is probably interspersed with bursts of anger, even fits of rage.

## **Jupiter**

### Jupiter in Aries

You could pursue a career as a leader or pioneer. You tend to be the one who takes the initiative and are courageous and often fearless to the point of being foolish. Success for you in most things is second nature. Always "walking point," you tend to be a loner, a warrior. Confident, single-minded, you are sometimes rash but are always direct -- straight out.

### Jupiter in 5th House

You could be successful working with creativity and self-expression through the arts and theater, in sports, or with the ultimate self-expression, children. You may find yourself a guide and teacher to others when it comes to these matters.

## **Saturn**

### Saturn in Aquarius

You have an innate distrust of groups or large organizations and could tend to avoid what is new or future-oriented. You are, perhaps, too conservative and need to develop a sense of community and sharing with others. Learn to be independent. Practice impartiality and altruism. Be innovative.

### Saturn in 4th House

You have very simple needs regarding home and surroundings. Some might find you frugal. It may be difficult for you to send down roots, build a home-base, and feel secure. Feelings and emotions may be on the sparse side.

### Saturn Square Neptune

The more disciplined side of you has no time for dreams, visions, and other-worldly stuff. You ignore anything that is not tied down and practical. And yet, all this spiritual stuff has a way of intruding into your real world. You come up against it again and again. You can't live with it, and you can't live without it. It seems you feel that dreams and a more "ideal" life must take a back seat to reality and the (sometimes) drudgery of routine. You keep finding yourself looking out the window.

## **Uranus**

### Uranus in Virgo

You find new ways to serve others and you have brilliant insights into diet, health, ecology, conservation, and the like. New or alternate life styles and ways to make a living interest you. You are economy personified, always able to salvage and redeem anything. You like to tend and care for people and things. You relax by working.

### Uranus in 10th House

You are original and insightful when it comes to practical matters -- job, career, and such. Independent, you may have an unconventional approach to work, especially regarding how you organize or manage. You may have a reputation for being different.

#### Uranus Conjunction Pluto

Secrets have a short half-life around you, for you have them out in a wink of an eye. You are brilliant when it comes to insights into the mind, psychology, and motivation -- yours or others'. Your intensity is obvious, and some may prefer to keep their distance rather than subject themselves to your laser eye. Nothing is passed over without being turned inside and out. Your analytical powers are superb, and you enjoy finding new avenues of inner growth.

## Neptune

#### Neptune in Scorpio

Unafraid of the "dark" side of life, you are interested in esoteric religion, everything mystical or occult, and so on. Sexuality and physical desires are encouraged and seen as spiritual. Money, power, and things of this world are O.K. too. The physical is ideal. Possessions.

#### Neptune in 1st House

You are a real charmer -- able to enchant others and bring them under your spell. You manage to communicate an almost mystical sense to a group. Your ideals and ability to see the whole picture are obvious to all who come to know you.

#### Neptune Sextile Pluto

A searing vision that cuts through what passes for conventional religion. A vision of the endless process of life ever being born afresh. Great acceptance and faith in the natural process and next generation. Love of children and animals.

## Pluto

#### Pluto in Virgo

You tend to be radical when it comes to self-analysis, which means health care, food, physical wellbeing, and so on. Serving and caring for yourself and others are primary sources of inner growth and changes. You are sensitive to criticism.

#### Pluto in 10th House

A tremendous practical sense and drive cuts through all the red tape and exposes the right decisions every time. You may have an ability to organize and manage all that is vulnerable and sensitive in the human psyche... the public mind.

## Node

#### Node in Cancer

The burdens you engage will essentially be those of a parent or mentor, whatever age the "kids" turn out to be. Similarly, your rewards will be the gifts and support of thankful children and protégées to whom you have freely given important portions of your life. It's always a two-way transfer, but it takes time.

#### Node in 9th House

Defending the higher cause may fall your lot, which can be time-consuming, so watch what you take on, because you have to keep it, and keep it up. In the process, however, you'll find that you come to know everybody as you uncover the specific applications for the general issues that have taken you in thrall.

### **Midheaven**

Midheaven in Leo

Although you may not be lord of all you survey, if you sometimes get that rep, why not take the free PR? Just fight the image of being bossy and encourage that party animal part you can easily fall into -- at least according to some.

### **Ascendant**

Ascendant in Scorpio

You appear intense and passionate and probably tend to gravitate to positions of power and control. You come across as somewhat secretive, penetrating, and at all times very sensitive. You can get to the heart of things.
